# (IIPHS -"INDIAN INSTITUTE FOR PREVENTION OF HAZARD AND SAFETY MANAGEMENT")

## India's 1st SAFETY COLLEGE

The IIPHS is the first college which Introduced the curriculum of Health, Safety and Environment (**HSE**) Education in India with offering full time Degree, Diploma and post Graduation courses in fire and Industrial Safety, Occupation Health Safety, Environment and Industrial Safety, Industrial Safety and Hygiene under Government University Regular pattern (**Alagappa University**). Since, IIPHS known as pioneer safety college of India.

## APPROVED BY GOVERNMENT UNIVERSITY (ALAGAPPA UNIVERSITY)

The IIPHS College of Safety Management has been approved by the State Government University (**ALAGAPPA UNIVERSITY**) to offer full time regular courses of **Diploma , B.Sc., M.Sc., MBA, PG DIPLOMA and Certificate Course in Health, Safety & Environment Education**. Since, the academic year of 2011, the IIPHS Safety College is being Managed by the Direct control of **ALAGAPPA UNIVERSITY** Under Collaborative Institution.

## INTERNATIONAL SYLLABUS - ILO GENEVA-LONDON FIRE BRIGADE, JISC SWEDEN

The Syllabus conducted in IIPHS Safety College has been designed as per the Instructions and Extraction of ILO Geneva. (**International Labor Organization**) Join Industrial Safety council of Sweden and National Safety Council of India (**NSC**). And, it has been framed to University syllabus pattern as per the Instruction and requirement of Alagappa University (**A State Government University**). The Syllabus has been designed with simple British English for easy observing of everyone.

## OBSERVING MODE TEACHING / TRAINING

The Classes in IIPHS are being conducted in the languages of Tamil, English and Hindi in various methods such as White Board, Flip charts, Video Clipping / Visual presentation through, Smart Classes , Seminars by Industrial a Experts and Live practical Classes with Individual / Group Mock Drill, Mock Interview. Also, Live Industrial Practical through Industrial Visits and In plant Training in National and International Companies / Industries which makes the Students efficient by all means. towards the employer's Expectations.

## VISION : (WITH GLOBAL VIEW)

To eradicate the Unemployment through the Effective Education towards creating a smart Life to the young generation of India.

## MISSION : (WITH INTERNATIONAL STANDARDS IN QUALITY)

By creating an awareness among the Students, Parents and Public about the Importance of the Health, Safety & Environment Education and it's Global Employment Opportunities with Providing International quality of Safety Education according to the employer's Expectation as per the Instruction of International Labour Organisation (ILO) Geneva, Join Industrial Safety Council (JISC) Sweden, National Safety Council (NSC) of India and Alagappa University (A Govt. University).

## EMPLOYMENT OPPORTUNITIES :

It is well known to all that, not only after the Global Pandemic Period, but even during the lockdown period , the HSE Education only had the world wide job openings. Also, the HSE Education is only having the Global employment opportunities in any Industry in the sector such as Oil and Gas, Manufacturing Industries, Construction of Buildings & Shipyards, Refineries, Banking, all Surface Transports such as Railway, Road ways and Air ways, also in IT companies, Hospitals, Pharmaceuticals, Chemical Industries, National Infrastructures, Government & Public Work departments (PWD) and so on. The HSE Education is being instructed by the Government of India and all Foreign countries as a mandatory to all service and manufacturing sectors. Since, **THE SAFETY EDUCATION IS SEEN AS A BOON FOR EMPLOYMENT** to Educated youths.

## **FEATURES OF IIPHS SAFETY COLLEGE:**

- ❖ The IIPHS is the India's very first (1<sup>st</sup>) College for offering Safety Education.
- ❖ The IIPHS Safety College is the Origin of Safety Education in India (Pioneer).
- ❖ The IIPHS Safety College has only Designed the International Safety Syllabus to the Universities.
- ❖ IIPHS is only offering the Government University Approval entire Safety Courses under one roof.
- ❖ The IIPHS Safety College only has more than sufficient Infrastructure and the IIPHS only has been equipped with imported equipments.
- ❖ The IIPHS is the first Corporate Member of National Safety Council in Educational sectors.
- ❖ IIPHS was the member of Loss prevention & Association of India (Since 2001).
- ❖ The IIPHS is only having the spacious Demonstration Grounds for practical in lively manner.
- ❖ The Seminars are being conducted by various Industrial experts from India to Abroad.
- ❖ IIPHS College is only having a practical lab in Dehradun for communication skills development Individual and Group.
- ❖ The practical is conducted for every Individual & Group of students.
- ❖ Dedicated and well experienced Teaching faculties from all departments.
- ❖ IIPHS imparts Individual students care by all aspects.
- ❖ Availability of International books, Journals and news magazines in IIPHS College library.
- ❖ Live Demo and Seminars by manufacturers and field experts frequently provided.
- ❖ Students are trained according to the Industrial expectations in all aspects.
- ❖ Guidance and Assistance for Industrial visits and In plant Training.
- ❖ Guidance and Assistance for placements in India and Foreign countries.
- ❖ Record of University Rank holders more than 8 years is going on.
- ❖ Sophisticated Hostel accommodation with homely hygienic Food and Beverages.
- ❖ The pride of IIPHS is our students with outstanding performance in Competitive world.
- ❖ The strength of IIPHS is, our students working in all countries with Top position.
- ❖ IIPHS has the army like discipline Institution campus.
- ❖ Thus, the IIPHS is the Role model for all the Safety Institutions.

# Safety Management Courses

## B.Sc / M.Sc / MBA

### FIRE & INDUSTRIAL SAFETY ENVIRONMENTAL SAFETY

#### Courses Offered :

- ✓ **B.Sc.** - Fire & Industrial Safety - 3 Years (+2)
- ✓ **B.Sc. (LE)** - Fire & Industrial Safety - 2 Years (Diploma)
- ✓ **M.Sc.** - Industrial Safety & Hygiene - 2 Years  
(B.Sc. - Phys, Chem, Safety, Any Engineering Degree)
- ✓ **MBA** - Environment & Industrial Safety - 2 Years (Any Degree)
- ✓ **PG Diploma in** Fire & Industrial Safety - 1 Year (Any Degree)
- ✓ **Diploma in** Fire & Industrial Safety Engineering - 3 Years (10th)
- ✓ **CC Course in** Fire & Industrial Safety Management - 1 Year (10th)
- ✓ **Diploma in** Land Survey Engineering - 1 Year (+2)

## REGULAR COURSES OFFERED BY IIPHS

### 1. B.Sc Fire & Industrial Safety

**Eligibility :** +2 Pass

**Duration :** 3 Years

**Pattern :** Semester

### 2. B.Sc Fire & Industrial Safety - (Direct 2nd Year - Lateral Entry)

**Eligibility :** 3 Year Diploma

**Duration :** 2 Years

**Pattern :** Semester

#### FIRST YEAR

##### Semester - I

- Part I - Hindi Paper I Practical
- Part II -Communicative English I Practical
- Fire Prevention and Protection
- Personal Protective Equipments
- Electrical Safety
- Fire Fighting and First Aid Practical

##### Semester - II

- Part I -Hindi Paper II Practical
- Part II - Communicative English II Practical
- Safety in Material Handling
- Chemical Safety
- Industrial Hygiene
- Principles of Safety Management
- Environmental Studies

#### SECOND YEAR

##### Semester - III

- Part I - Communicative English III Practical
- Industrial Safety and Lean Concepts
- Safety in Construction Sector
- EHS Laws and Acts
- Incident Prevention, Control, Investigation & Reporting
- Industrial Safety and Environmental Studies Practical

##### Semester - IV

- Part I - Communicative English IV Practical
- Fire Design Engineering
- Process Safety Management
- Hazard Identification, Risk Assessment and Risk Control
- Safety Inspection and Audit
- Value Education - Skill Based Subject

#### THIRD YEAR

##### Semester - V

- Safety in High Hazardous Areas
- Safety in Oil and Gas Sector
- Safety Aspects in Industrial Plant Layout Design
- Safety in Logistics & Warehouse
- (A) Safety in Textile Industries
- (B) Dust Explosion
- (C) Safety in Mining Industries
- (D) Safety in Airport and Shipyard
- Industrial Internship

##### Semester - VI

- Safety Management System
- Computer Aided Hazard Analysis
- Behaviour Based Safety and Industrial Ergonomics
- Project

### 3. Diploma in Fire & Industrial Safety Engineering

**Eligibility :** SSLC Pass

**Duration :** 3 Years

**Pattern :** Semester

#### FIRST YEAR

##### Semester - I

- Part II -Communicative English I Practical
- Fire Prevention& Protection
- Personal Protective Equipments
- Electrical Safety
- Emergency Response & Basic Life Support  
- **Practical**

##### Semester - II

- Safety In Material Handling
- Chemical Safety
- Basics of Safety Management
- Environmental Studies
- Work at Height and Confined Space  
- **Practical**

#### SECOND YEAR

##### Semester - III

- Industrial Safety Management and Continuous Improvement Concepts
- Safety in Construction Sector
- EHS Laws and Acts
- Accident Investigation, Control, Investigation and Reporting
- Industrial Safety and Environmental Studies  
- **Practical**

##### Semester - IV

- Fire Design Engineering
- Process Safety Management
- Hazard Identification, Risk Assessment and Risk Control
- Safety Inspection and Audit
- Value Education - **Skill Based Subject**

#### THIRD YEAR

##### Semester - V

- Safety in High Hazardous Areas
- Safety in Oil and Gas Sector
- Safety Aspects in Industrial Plant Layout Design
- Safety in Logistics & Warehouse Safety
- (A) Safety in Textile Industries  
(B) Dust Explosion  
(C) Safety in Mining Industries  
(D) Safety in Airport and Shipyard
- Industrial Internship

##### Semester - VI

- Safety Management System
- Computer Aided Hazard Analysis
- Behaviour Based Safety and Industrial Ergonomics
- Project

## 4. Certificate Course in Fire & Industrial Safety Management

**Eligibility :** 10th Pass

**Duration :** 1 Year (Non Semester)

The university examinations will be held at the end of each year with the duration of 3 hrs for each subject.

### Syllabus

Fire Safety: Design, Installation and Maintenance

Electrical and Chemical Safety

Industrial Safety and Toxicology

Construction Safety

Hazard Identification, Risk Assessment and Risk Control

EHS Legislations

Safety in Logistics and Warehouse Industry

Safety Inspection and Audit

Industrial Safety and Environmental Studies - Practical

## 5. Post Graduate Diploma in Fire and Industrial Safety

**Eligibility :** Any Degree

**Duration :** 1 Year (Non Semester)

The university examinations will be held at the end of each year with the duration of 3 hrs for each subject.

### Syllabus

Fire Safety: Design, Installation and Maintenance

Electrical and Chemical Safety

Industrial Safety and Toxicology

Construction Safety

Hazard Identification, Risk Assessment and Risk Control

EHS Legislations

Safety in Logistics and Warehouse Industry

Safety Inspection and Audit

Industrial Safety and Environmental Studies - Practical

## 6. MSc Industrial Safety and Hygiene

**Eligibility :** Degree in Engg., Phy, Che. & Safety

**Duration :** 2 Years

**Pattern :** Semester

### FIRST YEAR

#### Semester - I

- Safety in Facility Design
  - Work Study & Ergonomics
  - Safety Concepts
  - Fire Safety - Design, Installation & Maintenance
  - (A) Occupational H&S Management
  - (B) Safety in Mining Industry
  - (C) Safety in Fire Works Industry
- } Elective Paper Anyone
- Industrial Hygiene I : Recognition of Hazards
  - Emergency Response & Basic Life Support Practical

#### Semester - II

- Behaviour Based Safety
  - Legislations: Environment, Health & Safety
  - Electrical Safety
  - Industrial Hygiene II : Evaluation & Control of Hazards
  - (A) Safety in Oil & Gas Industry
  - (B) Hazard and Risk Analysis
  - (C) HACCP - Hazard Analysis & Critical Control Point
- } Elective Paper Anyone
- International Health & Safety Standards
  - Risk Assessment Practical

### SECOND YEAR

#### Semester - III

- Construction Safety Analysis
  - Evolution Of Modern Safety Concepts
  - Disaster Management & Response
  - Computer Aided Hazard Analysis
  - (A) Safety in Powder Handling
  - (B) Safety in Airport And Shipyard
  - (C) Hazardous Waste Management
- } Elective Paper Anyone
- Industrial Safety - Practical
  - Project Phase I

#### Semester - IV

- Environmental Safety Management
  - EHS Management Standards
  - (A) Sustainable Safety Culture & Behaviour Based Safety
  - (B) Safety in Logistics & Warehouse
  - (C) Safety in Textile Industries
- } Elective Paper Anyone
- (A) Safety in Fireworks Industry
  - (B) Safety in Process Industries
  - (C) Dust Explosion
- } Elective Paper Anyone
- Project Phase II

## 7. MBA Environment & Industrial Safety Engineering

**Eligibility :** Any Degree

**Duration :** 2 Years

**Pattern :** Semester

### FIRST YEAR

#### Semester - I

- Organizational Behaviour & Management
- Principles of Safety Management
- Fire Safety - Design, Installation & Maintenance
- Electrical & Chemical Safety
- (A) Occupational Health & Safety Management
- (B) Safety in Mining Industry
- (C) Safety in Fire Works Industry
- Fire Fighting & Emergency Response Practical
- Basic Life Support Practical

} Elective  
Paper  
Anyone

#### Semester - II

- EHS Acts, Laws and Regulations
- International Management of Health & Safety
- Safety in Material Handling
- Environmental Studies
- (A) Safety in Oil & Gas Industry
- (B) Human Physiology & Ergonomics
- (C) Hazard Identification, RA & RC
- Risk Assessment Practical
- Environmental Studies Practical

} Elective  
Paper  
Anyone

### SECOND YEAR

#### Semester - III

- Construction Safety
- Industrial Safety & Process Safety Management
- Safety Culture & Behaviour Based Safety
- Computer Aided Hazard Analysis
- Evolution of Modern Safety Concepts
- Industrial Safety Practical
- Project Phase I

#### Semester - IV

- Safety Inspection and Audit
- Hazardous Waste Management
- Safety Management in High Hazardous Areas
- Safety in Industrial Plant Layout Design
- Industrial Hygiene and Toxicology
- Safety in Aviation & Shipyard
- Project Phase II

## 8. Diploma in Land Survey Engineering

**Eligibility :** 10th Pass, +2 / Any Degree **Duration :** 1 Year (Non Semester)

**Diploma in Land Survey Engineering** conducted by Alagappa University, Karaikudi, Tamil Nadu through its Collaborative Institution **IIPHS SAFETY COLLEGE, PUDUKKOTTAI.**

Basic of Surveying & Compass Surveying

Engineering Surveying

Modern Surveying

Chain Surveying & Compass Surveying - Practical

Leveling Theodolite Surveying - Practical

Total Station & GPS - Practical

### ❖ IIPHS EXPECTS FROM STUDENTS

- ❖ Being attentive in classes for clean learning.
- ❖ 90% of Attendance must be for effective learning program.
- ❖ Maximum efforts towards self development.
- ❖ Breaking the Employment hurdles by imparting the communication skills.
- ❖ Feeling and behaving as an Officer while studying ON / OFF campus.
- ❖ Being Honesty and have positive Attitude by all means.
- ❖ Respecting the Education and worshipping the parents
- ❖ Having friendly Approach with all Students and Staff.
- ❖ Obeying to all useful and positive Instructions of IIPHS College.
- ❖ Learning for Keeping happiness at all moments for long life.
- ❖ Enriched & Smart grooming with personal hygiene.

### WHAT STUDENTS CAN EXPECT FROM IIPHS

- ❖ Can expect the knowledge what you have never gained from your previous education.
- ❖ An innovative teaching with less theory and more practical's.
- ❖ Extra and effective curricular activities.
- ❖ The real and Effective education to turn you to the bright future.
- ❖ We let you know your sense for your future.
- ❖ We strength you to keep yourself and your parents smiling always.
- ❖ We make you shine and standalone wherever you step in.
- ❖ We train you to win teachers and parents.
- ❖ We educate “to know yourself and lead all others”.
- ❖ We are with you for long life beyond the education.

## EDUCATIONAL CAREER GUIDANCE

- ❖ Easy Understanding Concept based Training.
- ❖ Hindi & English Communication.
- ❖ Personality Development.
- ❖ Self learning with modern techniques.
- ❖ Strengthen individuality.
- ❖ Resume framing.
- ❖ Live practical Demonstration.
- ❖ Mock Interviews.
- ❖ Soft skill training.
- ❖ Career counseling.
- ❖ Job notification till placement.
- ❖ Off campus guidance.
- ❖ Higher studies after placements with scholarship
- ❖ Assistance for Industrial Visit & In plant Training.
- ❖ Webinar by Industrial experts from Various countries.
- ❖ Utility the all opportunities provide by the IIPHS.
- ❖ Being a good human being.
- ❖ Moving from your dreams to Real with IIPHS.

# STUDENT'S FEEDBACK

SUCCESS STORIES OF OUR STUDENTS

## **SUMAN. R**

Fire & Safety Officer,  
Kanchi Kamakoti Child's Trust Hospital,  
Nungambakkam, Chennai,  
Tamil Nadu 600034.

I joined the institute on my brother recommendation had no idea about safety field at my initial stage they gave me great exposure and guided throughout the course completion staffs were friendly and they are ready to lend their support whenever we need I highly suggest this to those who wish to shine in safety field

## **VETRIVEL. R**

Project HSE Manager  
Al Darwish Engineering  
Doha, Qatar.

I am very proud to be an alumnus of our IIPHS College Because of the excellent infrastructure and teaching ability of this college. It is imperative that I welcome all and then the students of this college with good learning ability to develop skills for a better situation.

## **BR KARTHI**

Sr. Safety Engineer

IIPHS changed my life by Improving my confidence level.Improved my characterEnhanced my attitudeThought Where to invest my effort Showed the importance of patience and to remain focus.And they made me what I am Today Successful

# STUDENT'S FEEDBACK

SUCCESS STORIES OF OUR STUDENTS

## **BHANU. N**

Project Officer,  
Ever Support Outsourcing Privet Limited,  
Theni, Tamil Nadu 625 515.

I'm very proud and happy to be an part of this college. Because I had learnt a lot of new and knowledgeable things in this college. I did like to thank my staffs and our correspondent to help us to gather a lot of knowledge. Thank you so much to all without up our help I can't able to achieve this. My lifetime goal is to save a life and I'm on my way to achieve my goal and soon will achieve it.

## **NIBIN A ROBERT**

Assistant Safety Officer  
HLL LIFECARE LTD  
Trivandrum, Kerala.

I am very proud to say that the journey of my success is the education in IIPHS college. The campus and the hostel is very much eco friendly towards the students. The management are pretty excellent and the teaching staffs were helpful to achieve our aim. I wish the students to study in IIPHS college to get achieve a good passion.

## **VENDHAN. M**

Safety Officer,  
Wheels India Limited (TVS).

IIPHS , India's First Safety Clg... It's My Backbone Of My Carrier Of My Life Why Iam Using This Word Mean's... First Off All I Don't Know Anything About Safety... And I Joined 1st Year One Word's Faculties & Management Are Honourable Person's They Have Teach Way Is Very Good And We Are Also Learn Quickly Why Mean's... 1 Or 2 Day's Facilities Teaching Mean's Next Day We All Are To Condoct The Class For 10 Minutes Like ( Seminar) This Was Very Useful To Us Why Mean's Upcoming Year's... Definitely We All Are Going In Any Other Company And We All Have To Condoct The Training Like (Safety Induction, TBT, OJT, Refreshment Training, MMH Training And Etc.... These Type Of Training We Have To Condoct To The Company People's... And Main Think We Have To Learn Voice Practice In Any Time It Only Help's U..... Please Follow And Obey Your Faculties And Also Management It Will Help's Till End....

# STUDENT'S FEEDBACK

SUCCESS STORIES OF OUR STUDENTS

**MUKESH KANNA.S**  
SAFETY OFFICER  
Dumont Paris Dubai Investment Park 2, DUBAI.

**SHUNMUGA MUTHURAJ**
