(IIPHS -"INDIAN INSTITUTE FOR PREVENTION OF HAZARD AND SAFETY MANAGEMENT")

India's 1st SAFETY COLLEGE

The **IIPHS** is the 1st Safety College which Introduced the curriculum of Health, Safety and Environment (**HSE**) Education in India with offering full time Degree, Diploma and Post Graduation courses in Fire and Industrial Safety, Occupation Health Safety, Environment and Industrial Safety, Industrial Safety and Hygiene under Government University Regular pattern (**Alagappa University**). Since, IIPHS is known as pioneer safety college of India.

APPROVED BY A STATE GOVERNMENT UNIVERSITY (ALAGAPPA UNIVERSITY)

The IIPHS College of Safety Management has been approved by the State Government University (**ALAGAPPA UNIVERSITY**) to offer full time regular courses of **Diploma, B.Sc., M.Sc., MBA and PG DIPLOMA Courses in Health, Safety & Environment Education**. Since, the academic year of 2011, the IIPHS Safety College is being Managed by the Direct control of **ALAGAPPA UNIVERSITY** Under Collaborative Institution.

INTERNATIONAL SYLLABUS - ILO GENEVA-LONDON FIRE BRIGADE, JISC SWEEDEN

The Syllabus conducted in IIPHS Safety College has been designed as per the Instructions and Extraction of ILO Geneva. (**International Labour Organization**) Joint Industrial Safety Council of Sweden and National Safety Council of India (**NSC**). And, it has been framed to University syllabus pattern as per the Instruction and requirement of Alagappa University (**A State Government University**). The Syllabus has been designed with simple British English for easy observing of everyone.

PRACTICAL BASED TRAINING METHODOLOGY AS PER ILO TRAINING MANUAL

The Classes in IIPHS are being conducted in the languages of Tamil, English and Hindi in various methods such as White Board, Flip charts, Video Clipping / Visual presentation through, Smart Classes, Seminars by Industrial Experts and Live practical Classes with Individual / Group Mock Drill, Mock Interview. Also, Live Industrial Practical through Industrial Visits and In plant Training in National and International Companies / Industries which makes the Students efficient by all means.

VISION : (WITH GLOBAL VIEW)

To eradicate the Unemployment through the Effective Education towards creating a Smart Life to the young generation of India.

MISSION : (WITH INTERNATIONAL STANDARDS IN QUALITY)

By creating an awareness among the Students, Parents and Public about the Importance of the Health, Safety & Environment Education and it's Global Employment Opportunities with Providing International quality of Safety Education according to the employer's Expectation as per the Instruction of International Labour Organisation (**ILO**) Geneva, Joint Industrial Safety Council (**JISC**) Sweden, National Safety Council (**NSC**) of India and Alagappa University (**A Govt. University**).

JOB OPPORTUNITIES :

It is well known to all that, not only after the Global Pandemic Period, but even during the lockdown period, the HSE Education only had the world wide job openings. Also, the HSE Education is only having the Global employment opportunities in any Industry in the sector such as Oil and Gas, Manufacturing Industries, Construction of Buildings & Shipyard, Refineries, Banking, all Surface Transports such as Railway, Road ways and Air ways, also in IT companies, Hospitals, Pharmaceuticals, Chemical Industries, National Infrastructures, Government & Public Work departments (PWD) and so on. The HSE Education is being instructed by the Government of India and all Foreign countries as a mandatory to all service and manufacturing sectors. Since, **THE SAFETY EDUCATION IS SEEN AS A BOON FOR EMPLOYMENT** to Educated youths.

WHY IIPHS COLLEGE IS BEST :

- ❖ The IIPHS is the India's very first (1st) College for offering Safety Education.
- ❖ The IIPHS Safety College is the Origin of Safety Education in India (Pioneer).
- ❖ The IIPHS Safety College has only Designed the International Safety Syllabus to the Universities.
- ❖ IIPHS is only offering the Government University Approval entire Safety Courses under one roof.
- ❖ The IIPHS Safety College only has more than sufficient Infrastructure and the IIPHS only has been equipped with imported equipments.
- ❖ The IIPHS is the first Corporate Member of National Safety Council in Educational sectors.
- ❖ IIPHS was the member of Loss prevention & Association of India (Since 2001).
- ❖ The IIPHS is only having the spacious Demonstration Grounds for practical in lively manner.
- ❖ The Seminars are being conducted by various Industrial experts from India to Abroad.
- ❖ IIPHS College is only having a practical lab in the Cities like New Delhi / Dehradun for communication skills development Individual and Group.
- ❖ The practical is conducted for every Individual & Group of students.
- ❖ Dedicated and well experienced Teaching faculties from all departments.
- ❖ IIPHS imparts Individual students care by all aspects.
- ❖ Availability of International books, Journals and news magazines in IIPHS College library.
- ❖ Live Demo and Seminars by manufacturers and field experts frequently provided.
- ❖ Students are trained according to the Industrial expectations in all aspects.
- ❖ Guidance and Assistance for Industrial visits and In plant Training.
- ❖ Guidance and Assistance for placements in India and Foreign countries.
- ❖ Record of University Rank holders more than 8 years is going on.
- ❖ Sophisticated Hostel accommodation with homely hygienic Food and Beverages.
- ❖ The pride of IIPHS is our students with outstanding performance in Competitive world.
- ❖ The strength of IIPHS is, our students working in all countries with Top position.
- ❖ IIPHS has the army like discipline Institution campus.
- ❖ Thus, the IIPHS is the Role model for all the Safety Institutions.

COURSES DETAILS

B.Sc / M.Sc / MBA Diploma / PG Diploma

Courses Offered :

- ✓ **B.Sc. - Fire & Industrial Safety - 3 Years (+2)**
- ✓ **B.Sc. (LE) - Fire & Industrial Safety - 2 Years (Diploma)**
- ✓ **M.Sc. - Industrial Safety & Hygiene- 2 Years**
(B.Sc. - Phys, Chem, Safety, Any Engineering Degree)
- ✓ **MBA - Environment & Industrial Safety Mgmt. - 2 Years (Any Deg)**
- ✓ **PG Diploma in Fire & Industrial Safety - 1 Year (Any Deg)**
- ✓ **Diploma in Fire & Industrial Safety - 3 Years (10th)**
- ✓ **Diploma in Fire & Industrial Safety Management - 1 Year (10th)**
- ✓ **Diploma in Land Survey Engineering - 1 Year (+2)**

REGULAR COURSES OFFERED BY IIPHS

1. B.Sc Fire & Industrial Safety

Eligibility : +2 Pass

Duration : 3 Years

Pattern : Semester

2. B.Sc Fire & Industrial Safety - (Direct 2nd Year - Lateral Entry)

Eligibility : 3 Years Diploma

Duration : 2 Years

Pattern : Semester

FIRST YEAR

Semester - I

- Part I - Tamil/ Malayalam/ Telugu/Hindi - I
- Part II - Communicative English – I
- Basics of Fire Safety
- Fire Fighting & Rescue Operation - Practical
- Human Resource Development
- Personality Development - Practical
- Value Education - Theory

Semester - II

- Part I - Tamil/ Malayalam/ Telugu/ Hindi - II
- Part II - Communicative English – II
- Electrical & Chemical Safety
- Safety Equipments & PPE - Practical
- Ware House Management
- Material Handling Techniques - Practical
- Environmental Studies

SECOND YEAR

Semester - III

- Part I - Tamil/ Malayalam/ Telugu/ Hindi - III
- Part II - Communicative English – III
- Construction Safety
- Incident Prevention, Control, Investigation & Reporting
- Basics of First Aid - Practical
- Organizational Behaviours
- Computer Applications - Practical
- Entrepreneurship
- Skills for Employment
- Advance Tamil - Practical

Semester - IV

- Part I - Tamil/ Malayalam/ Telugu/ Hindi - IV
- Part II - Communicative English – IV
- Hazard Identification, Risk Assessment and Risk Control
- Work at Height - Practical
- Food Hygiene and Sanitation (HACCP)
- HACCP Observation in Food Industry - Practical
- Retail Environment
- Small Business Management
- Advance Tamil - Practical

THIRD YEAR

Semester - V

- Safety Inspection and Audit
- Safety in Oil and Gas
 - I) Environmental Safety
 - II) Work Study and Ergonomics
 - III) Dock Safety
- I) Textile Safety
- II) Safety in Mines
- III) Transport Safety
- I) Safety Management System
- II) Safety in Fire Works
- III) Disaster Management
- Confined Space Entry, Working, Exit and Rescue Operation Practical

Paper
Anyone

3. Diploma in Fire & Industrial Safety

Eligibility : SSLC Pass

Duration : 3 Years

Pattern : Semester

FIRST YEAR

Semester - I

- Basics of Fire Safety
- Occupational Health and Safety Management
- Emergency Response (ERP) - Practical
- Basic Fire Fighting - Practical
- Value Education

Semester - II

- Safety on Electrical and Chemical Hazards
- Food Safety
- Emergency First Aid - Practical
- Environmental Safety - Practical

SECOND YEAR

Semester - III

- Construction Safety
- Accident Investigation and Reporting
- Safety at Work at Height - Practical
- Computer Applications - Practical

Semester - IV

- Hazard Identification Risk Assessment and Risk Control
- EHS Law
- Risk Assessment - Practical
- Industrial Safety - Practical
- Industrial Internship

THIRD YEAR

Semester - V

- Safety Inspection and Audit
- Safety in Oil and Gas Industries
- Confined Space Entry, Working, Exit and Rescue Operation - Practical
- PPE - Practical
- Project Phase – I

Semester - VI

- Process Safety Management
- Behaviour Based Safety
- EHS Observation - Practical
- Project Phase-II

4. Post Graduate Diploma in Fire & Industrial Safety

Eligibility : Any Degree

Duration : 1 Year (Semester)

Semester - I

- Fire Safety-Design, Installation and Maintenance
- Industrial Safety Management
- Fire Fighting and Rescue Operation - Practical
- Risk Assessment - Practical

Semester - II

- Construction Safety
- HIRA & Safety Audit
- Work at Height - Practical
- Confined Space - Practical

5. Diploma in Fire & Industrial Safety Management

Eligibility : 10th / ITI / Diploma

Duration : 1 Year (Semester)

Semester - I

- Basics of Fire Safety
- Construction Safety
- Fire Fighting & Rescue Operation - Practical
- Confined Space Entry, Working, Exit and Rescue Operation - Practical

Semester - II

- Hazard Identification, Risk Assessment and Risk Control
- Safety Inspection and Audit
- Work at Height - Practical
- Industrial Internship Course

6. M.Sc., Industrial Safety & Hygiene

Eligibility : Degree in Engg., Phy, Che. & Safety

Duration : 2 Years

Pattern : Semester

FIRST YEAR

Semester - I

- Fire Design & Installations
 - Construction Safety
 - EHS Laws and Acts
 - Safety Equipments and PPE
 - Electrical and Chemical Safety
 - Safety Concepts
 - Lab-I: ERP - Practical
 - I) Environmental Safety
 - II) Work Study and Ergonomics
 - III) Dock Safety
- } Elective
Paper
Anyone

Semester - II

- Construction Safety
 - EHS Laws and Acts
 - Industrial Hygiene I : Hazard Identification and Assessment
 - Hazardous Waste Management
 - Lab-II: Work at Height - Practical
 - I) Textile Safety
 - II) Safety In Mines
 - III) Transport Safety
- } Elective
Paper
Anyone
- Non-Major Elective – Housekeeping Management
 - Self-Learning Course (SLC) – MOOCS

SECOND YEAR

Semester - III

- Industrial Hygiene II :
Evaluation and Control of Hazards
 - Hazard and Risk Analysis
 - Safety Audit and Inspection
 - Safety at Oil, Gas and Nuclear Sector
 - Lab-III: Confined Space and Rescue Operation - Practical
 - I) Safety Management System
 - II) Safety in Fire Works
 - III) APELL
- } Elective
Paper
Anyone
- Non-Major Elective-
Food Hygiene and Sanitation (HACCP)
 - Self-Learning Course (SLC) – MOOCS

Semester - IV

- Dissertation Work or Internship Programme

7. MBA Environment and Industrial Safety

Eligibility : Any Degree

Duration : 2 Years

Pattern : Semester

FIRST YEAR

Semester - I

- Fire Prevention and Protection
 - Organizational Behaviour
 - Industrial Safety Management
 - Safety Management in Constructional Sector
 - Environmental Studies
 - I) Safety in Process Industries
 - II) Work Study and Ergonomics
 - III) Dock Safety
- } Elective
Paper
Anyone

Semester - II

- Evolution of Modern Safety Concepts
 - EHS Legislations
 - Process Safety Management
 - Occupational Health and Safety Management
 - Hazard Identification, Risk Assessment and Risk Control
 - I) Textile Safety
 - II) Safety in Mines
 - III) Transport Safety
- } Elective
Paper
Anyone
- Non-Major Elective - Personality Development
 - Self-Learning Course(SLC) - MOOCS

SECOND YEAR

Semester - III

- Safety Inspection and Audit
 - Industrial Hygiene and Toxicology
 - Safety Culture and Behaviour Based Safety
 - Safety in Oil and Gas Sector
 - Safety Aspects in Industrial Plant Layout Design
 - I) Safety Management System
 - II) Safety in Fire Works
 - III) Disaster Management
- } Elective
Paper
Anyone
- Non-Majorelective – Food Hygiene and Sanitation
 - Self-Learningcourse(SLC) - MOOCS

Semester - IV

- Dissertation Work or Internship Programme

8. Diploma in Land Survey

Eligibility : +2 / Any Degree

Duration : 1 Year (Non Semester)

Diploma in Land Survey conducted by Alagappa University, Karaikudi, Tamilnadu through its Collaborative Institution **IIPHS SAFETY COLLEGE, PUDUKKOTTAI.**

- Basic of Surveying & Compass Surveying
- Engineering Surveying
- Modern Surveying
- Chain Surveying & Compass Surveying - Practical
- Leveling Theodolite Surveying - Practical
- Total Station & GPS - Practical

IIPHS EXPECTS FROM STUDENTS

- ❖ Being attentive in classes for keen learning.
- ❖ 80% of Attendance must be for effective learning program.
- ❖ Maximum efforts towards self development.
- ❖ Breaking the Employment hurdles by imparting the communication skills.
- ❖ Feeling and behaving as an Officer while studying ON / OFF campus.
- ❖ Being Honesty and have positive Attitude by all means.
- ❖ Respecting the Education and worshipping the parents
- ❖ Having friendly Approach with all Students and Staff.
- ❖ Obeying to all useful and positive Instructions of IIPHS College.
- ❖ Learning for Keeping happiness at all moments for long life.
- ❖ Enriched & Smart grooming with personal hygiene.

IIPHS PROVIDES

- ❖ Can expect the knowledge what you have never gained from your previous education.
- ❖ An innovative teaching with less theory and more practical.
- ❖ Extra and effective curricular activities.
- ❖ The real and Effective education to turn you to the bright future.
- ❖ We let you know your sense for your future.
- ❖ We strength you to keep yourself and your parents smiling always.
- ❖ We make you shine and standalone wherever you step in.
- ❖ We train you to win teachers and parents.
- ❖ We educate “to know yourself and lead all others”.
- ❖ We are with you for long life beyond the education.

HIGHER EDUCATIONAL & CAREER GUIDANCE

- ❖ Easy Understanding Concept based Training.
- ❖ Hindi & English Communication.
- ❖ Personality Development.
- ❖ Self learning with modern techniques.
- ❖ Strengthen individuality.
- ❖ Resume framing.
- ❖ Live practical Demonstration.
- ❖ Mock Interviews.
- ❖ Soft skill training.
- ❖ Career counseling.
- ❖ Job notification till placement.
- ❖ Off campus guidance.
- ❖ Higher studies after placements with scholarship
- ❖ Assistance for Industrial Visit & In plant Training.
- ❖ Online Training Classes by Industrial experts from Various countries.
- ❖ Utilizing all the opportunities provided by the IIPHS Safety College.
- ❖ Being a good human being.
- ❖ Moving from your dreams to Real with IIPHS.

STUDENT'S FEEDBACK

SUCCESS STORIES OF OUR STUDENTS

SUMAN. R

Fire & Safety Officer,
Kanchi Kamakoti Child's Trust Hospital,
Nungambakkam, Chennai,
Tamil Nadu 600034.

I joined the institute on my brother recommendation had no idea about safety field at my initial stage they gave me great exposure and guided throughout the course completion staffs were friendly and they are ready to lend their support whenever we need I highly suggest this to those who wish to shine in safety field

VETRIVEL. R

Project HSE Manager
Al Darwish Engineering
Doha, Qatar.

I am very proud to be an alumnus of our IIPHS College Because of the excellent infrastructure and teaching ability of this college. It is imperative that I welcome all and then the students of this college with good learning ability to develop skills for a better situation.

BR KARTHI

Sr. Safety Engineer

IIPHS changed my life by Improving my confidence level.Improved my characterEnhanced my attitudeThought Where to invest my effort Showed the importance of patience and to remain focus.And they made me what I am Today Successful

STUDENT'S FEEDBACK

SUCCESS STORIES OF OUR STUDENTS

BHANU. N

Project Officer,
Ever Support Outsourcing Pvt Ltd,
Theni, Tamil Nadu 625 515.

I'm very proud and happy to be a part of this college. Because I had learnt a lot of new and knowledgeable things in this college. I did like to thank my staffs and our correspondent to help us to gather a lot of knowledge. Thank you so much to all without our help I can't able to achieve this. My lifetime goal is to save a life and I'm on my way to achieve my goal and soon will achieve it.

NIBIN A ROBERT

Assistant Safety Officer
HLL LIFECARE LTD
Trivandrum, Kerala.

I am very proud to say that the journey of my success is the education in IIPHS college. The campus and the hostel is very much eco friendly towards the students. The management are pretty excellent and the teaching staffs were helpful to achieve our aim. I wish the students to study in IIPHS college to get achieve a good passion.

VENDHAN. M

Safety Officer,
Wheels India Limited (TVS).

IIPHS , India's First Safety Clg... It's My Backbone Of My Carrier Of My Life Why I am Using This Word Mean's... First Off All I Don't Know Anything About Safety... And I Joined 1st Year One Word's Faculties & Management Are Honourable Person's They Have Teach Way Is Very Good And We Are Also Learn Quickly Why Mean's... 1 Or 2 Day's Facilities Teaching Mean's Next Day We All Are To Conduct The Class For 10 Minutes Like (Seminar) This Was Very Useful To Us Why Mean's Upcoming Year's... Definitely We All Are Going In Any Other Company And We All Have To Conduct The Training Like (Safety Induction, TBT, OJT, Refreshment Training, MMH Training And Etc.... These Type Of Training We Have To Conduct To The Company People's... And Main Think We Have To Learn Voice Practice In Any Time It Only Help's U..... Please Follow And Obey Your Faculties And Also Management It Will Help's Till End....
